EDITOR'S LETTER

Footie fans have just, as I type, been treated to a couple of the most surprising results in football history, but while followers of Liverpool and Spurs may be reeling about in glee at their unexpected triumphs, perhaps it's worth reminding ourselves that some results are never unexpected – and with the likes of Brooke, Lily, Adele and Honour all doing their thing, the result of buying this issue of *Mayfair* is an ever-reliable amount of intoxicating arousal! Watford for the FA Cup, anyone?

THE NAKED RUTH...

Dear Mayfair,

I was walking home from my local pub with a couple of mates after a lads' night out, when Ruthie, one of my neighbours, pulled up beside us in her car. She's in her early forties, divorced and has a reputation for being the town bike – on the weekends when the kids are with her ex, she's usually out on the prowl for cock, and the word 'fussy' isn't in her dictionary! My mum thinks she's a bit scummy, which probably appeals slightly to the rebellious streak in me!

Anyway, she offered us a lift and me and my pal Aaron piled in – our other mate, who's well under his missus's thumb, was too chicken. She invited us

THAN I EXPECTED, AND I
FELT HER PUSSY GRIP

back to hers for a 'nightcap' and, being slightly wasted and up for a bit of fun, we ended up agreeing and heading inside her house.

That night was a bit of an education for me in more ways than one. For a start, when she invited us back for a drink, I expected to be offered drinks! And yeah, okay, she did give us a small shot of whiskey each, but as we sat there with glass in hand, without warning Ruthie stripped off down to her undies and suggested we head upstairs. So, unsurprisingly we knocked back our drinks and followed as she led the way upstairs. So firstly, I learned that a 'nightcap' doesn't actually mean drinks. Not that I was complaining – if the rest of my education had been this enjoyable, I would've stayed on at school!

I hesitated as we reached the doorway of her bedroom. I wasn't inexperienced, but this was a whole other level to fingering a girl at the back of a club and taking her home for a quick screw. For a start, Ruthie was extremely experienced so I knew a fumble wouldn't cut it. Secondly, Aaron was right there! Talk

about pressure to perform!

I needn't have worried however, as Ruthie draped herself sexily across the middle of the bed and motioned for us to lay either side of her. Whether she sensed my nerves (I can't say as to how Aaron was feeling at this moment) or whether this was her bedside manner didn't really matter, but Ruthie was really gentle and comforting as we awkwardly clambered beside her and lay down, still fully clothed. There was a bit of a pause, then I felt her hand on my cock and, from his groan, knew she was giving Aaron the same treatment.

I don't know if he got harder before me, but it was Aaron's knob Ruthie chose to go down on first, mouth gaping open to engulf the entire length of it. I guessed it was up to me to join in the fun so I started fondling her – just her arse-cheeks through her knickers at first, then the wet fabric over her slit. It was incredibly horny and I felt my dick stiffen even more as I ran my fingertips over her soggy mound.

She moved against me, encouraging me to do more, sucking so hard on Aaron's

SAINT'S ALIVE!

Dear Mayfair,

While I heartily concurred with Giles, who wrote in to you last month about the welcome return of Spencer Scott to your pages, I feel I have to email to say a big thank you for following up her return with the stunning Samantha Saint, who was another model I thought had called it a day. She really is perfect in every respect, and I take my hat off to photographer Tammy Sands for capturing her full beauty in so many erotic poses. The way those studs make her nipples permanently erect is a joy to behold, and (I have to confess) just thinking about licking and nibbling them has exactly the same effect on my old chap!

Keep up the good work, and I hope we'll be seeing one or other (or both) of these SS-Superstars in Mayfair again before too long.

Harry, via email.

knob as I stuck three fingers in her that he told her to ease off. I think she must have ignored him, going by the noise he made.

Her hand was still reaching behind her, pumping my cock, and I moved in so

she was wanking it against herself. Slowly, I slipped her knickers down and took over rubbing it against her slit. I wanted her to ask me for it, if not beg, but she wasn't going to spit out Aaron's prick for anything.

I touched my bell-end up to her pussy opening, making my intentions clear, and then as she moaned around his meat, I pushed mine in. She was tighter than I expected, give her reputation, and I felt her pussy grip my tool as I slipped my length all the way in. I spooned her, fucking her slowly for a bit and then we shifted position, so she was crouched, head down with a mouthful of cock, and I was shafting her from behind. I did her slowly at first, so she could carry on sucking him, although I don't know how the fuck I held back like I did.

I watched, sort of hypnotised, as her head bobbed in his crotch then she made a sort of gagging noise as his jizz spurted out into her gob. Apparently she tried to swallow it as it came but there was too much and it sprayed out of the corners of her mouth. I heard her gulping and slurping his cream down her throat, seemingly enjoying every single drop.

Aaron flopped back on the bed with a contented look on his face, and I gave him a show, pounding my cock into Ruthie's snatch, rabbit-fucking her till I pulled out and spunked all on her lower back. He had a good look, even tossed himself hard again at the sight of it, then said he'd better make a move. He had a girlfriend and, while he obviously wasn't above getting a sneaky shag or BJ, he knew what was good for him.

"And then there were two..." Ruthie said, and while I worked on my next hard-on, my fingers played with her crack, smearing her rim with spunk. I got a thumb up it, then spat on it to lube it more, enjoying her whimpers of delight. By the time I was stiff enough, she was desperate to take my dick in her backdoor.

I inched up her arsehole, absolutely no rush, and she was loving the feel as I opened her up. Then I started to thrust, making her tits wobble and slap together as I gave her a hard anal-bashing. She felt so tight around my prick that I didn't last more than a few more minutes and she let out a loud "Aaah!" as my jizz gushed out deep in her arse.

She asked could I stay over all night – I told her to just try and stop me, that I'm not some fuck-and-run merchant. I knew that I was simply a convenient cock to her, but any bloke who lets that sort of thing bother him needs to get a life. What I got was to fuck her in all three holes and I'm quite happy to repeat the performance any time Ruthie finds she has an itch that needs scratching...

DOVER SOLE

Dear Mayfair,

I have been married to Kirsty for three years, and I consider myself a lucky man; she's a beautiful brunette with big boobs that are lovely and firm, a nicely rounded arse and long, shapely legs. But her main attractions, for me, are her luscious, dark snatch and beautifully formed narrow feet. I had not thought of her feet as sex objects before one Saturday night last month, but I have been crazy about them ever since.

On Saturday afternoons Kirsty likes to go shopping, and who am I to complain if she wants to spunk away her hard earned cash? Especially when it puts her in such a good mood! This particular day, she returned home after a long trek around the shops and flounced straight upstairs. I figured she hadn't wanted me to see how much stuff she'd bought! After about five minutes, though, she called down to me and asked if I'd come up and rub her aching feet for her. I was busy at the computer so hesitated somewhat, but hoping it would improve her mood, I headed upstairs.

I was pleasantly surprised when I pushed the bedroom door open just in time to see my wife sensually pushing her skirt down her legs. I paused in the doorway to watch the spectacle, feeling my dick stirring. She lowered her

THUNDERBIRDS ARE GO!

Dear Mayfair,

Talk about a dream ticket – a classic Ford T.Bird and the unsurpassable beauty of Natalia Forrest. I can't begin to imagine how great it was to be on that shoot, even if the sun did fail to put in an appearance. I guess that really would have been too much of a good thing. Sadly I don't have a motor anywhere near as interesting as the Thunderbird, but if Natalia ever fancies taking a spin round my way in my banger then she's more than welcome! Ian, Taunton.

tights to her thighs then sat down on the side of the bed. Noticing me, she asked if I'd remove them the rest of the way as she was tired and didn't want to snag them with her long nails.

When I knelt to remove them for her I caught the faint aroma of her pussy, which inflamed my manhood even further. I rolled her tights to her knees and she lifted her right leg, while I concentrated on slipping the sheer nylon down her shin and easing it gently from her foot. As I did, I appreciated how perfect her feet were for the first time. Her tights off, she lay back on the bed, then, stretching languorously, she ran the sole of her left foot from her right ankle all the way up to the inside of her right thigh.

Aware of the effect this was having on me, she crossed her legs sexily and began to unbutton her blouse. That certainly increased the pressure in my pants! I wasn't sure why, but I was mesmerised by the beauty of those dainty little feet.

Now she discarded her blouse and bra, allowing her boobs to bounce free. I could feel the front of my pants getting damp with pre-come, and adjusted my tent pole to a more comfortable position. Noticing my discomfort, Kirsty suggested that I remove my clothes, remarking with a sly smile that it would prevent me from getting foot-cream on them.

A rose, so reckoned Will Shakespeare, would smell just as sweet if it was called anything else. Of course he's quite right, and so would a lily – or any other flower. But there aren't any flowers that would smell – or look – anything like as sweet as our very own Lily Rose, who bloomed onto the our horizon last year and who's now back for a repeat performance!

"My mum's always been a keen flower arranger, so she wanted to give me a flowery name! I'm glad she didn't go for Daisy, although Poppy's alright, I guess..."

Poppy, Daisy, Daffodil or Chrysanthemum – we'd like you whatever she'd gone for!

Seconds later I stood before her, completely naked with an enormous boner which she pretended to ignore, merely gesturing me to begin. I emptied some cream onto my hands and started to gently rub it into her feet, using long, sensuous strokes running from the nether regions of her shins, down over her ankles and along the sides of her feet, making her moan very quietly.

By now I was so horny I was in genuine danger of coming, so I changed tack, moving my hands back up her legs, massaging and manipulating my way over her thighs and towards her wet and willing pussy.

She parted her legs wide as I explored her sopping slit, and squealed with pleasure as I pushed two fingers inside her gently. I continued to play gently with her pussy and clit until she came, her juices

I SOON BUILT UP A PRETTY FURIOUS RHYTHM, READYING MYSELF TO BLAST MY JISM INTO HER TWAT.

glistening as they ran down my hand. I was so turned on by this that I had to taste her, and I nibbled at her clit, flicking it with the tip of my tongue until she urged me to fuck her. I didn't hesitate and pushed my rock-hard prick into her flooded snatch, feeling my ball-sac slapping against her swollen fanny lips. Riding her like a filly running in a race, I soon built up a pretty furious rhythm, readying myself to blast my hot jism into her bucking twat.

Suddenly, just as I was about to erupt, she grabbed the stem of my cock and pulled me gently out of her. I looked at her in surprise, upset at being knocked off my stride. She kissed me hard, pushing her tongue into my mouth and sucking hard on mine.

"Save your come for my feet," she whispered as she slowly pulled away. "Besides, that wasn't a proper foot rub."

The idea of spunking on her feet appealed simply because it wasn't part of our normal routine. Also, I have to admit that I was now seeing Kirsty's feet in a new light. I resumed massaging and fondling them, rubbing her tender soles with my thumbs, rotating them gently around the arches and down her toes.

I took each toe in turn, starting with the big one, stretching it gently between my fingers and massaging the toe-pads. She moaned again and when I looked at her, she was fondling her breasts, pulling on and running her fingertips around her pert nipples. She was so intent on her self-pleasuring that she was totally unaware of me staring at her; I'd never seen my wife behave like this before, and I absolutely loved it!

I returned my attention to her feet, this

time licking her soles, and between her toes, making her moan again. Applying more cream to both feet, I brought them together, sole to sole. Her high arches created the perfect orifice for my manhood, and I sandwiched my madly throbbing cock between them. This seemed to have the same effect on Kirsty as it had on me, because when I looked at her again she had both her pussy-lips parted and was brazenly fingering herself into a frenzy.

I was fascinated as her glistening fingers pumped in and out of her hole, and watched them as I slid my cock in and out of my newfound crevice. My wife acting like such a slut and I just couldn't turn away.

Then, just when I thought it couldn't get any better, Kirsty parted her feet and used her insteps to massage my balls! It was so intense that I thought that I had died and gone to heaven! I supported her heels with my hands as she slowly and carefully jiggled my ball-sac before moving on to knead my straining cock with her delicate toes.

Grasping them firmly, I slid my straining prick in and out between her soft, well-lubricated soles. Kirsty threw her head back and began breathing rapidly as her fingers pistoned in and out of her snatch. I started rubbing my cock-head against one of her insteps, so the foreskin became pulled back and the huge swollen head was wanked by my wife's delicate feet. That finished me off completely! I shot my load onto them, globules of spunk running

JADE TO PLEASURE

Dear *Mayfair*,

What a treat it's been watching Saskia Jade blossoming into a first rank *Mayfair* model in recent months, from the coy early set or two to now, where she's proudly showing off all her charms to her discerning admirers! And, having done a good bit of detailed admiration myself, I think I'm qualified to say she's got one of the shapeliest bums in the business – at first hinted at on page 47 and then revealed in all its glory on page 48, in both pictures. Please pass on my regards to Saskia herself, and I look forward to seeing her in *Mayfair* many times to come!

over the soles and snaking between her toes like thick white liquid rope.

As I tensed and groaned loudly, Kirsty abruptly leaned forward, scooped up some of my jizz on her finger and sexily licked it clean. I watched for a moment, slightly dazed from my explosion, before massaging the remainder of my spunk into her feet.

I now look forward to Kirsty's shopping days, and I actively encourage her to wear shoes I know hurt her feet a bit, just so I can massage them for her later on! Not that she's complaining about it, I hasten to add!

Joe, Dover.

A woman with long, dark, wavy hair is sitting on a light-colored couch. She is topless, with her hands resting near her groin. She is looking directly at the camera with a neutral expression. The background is a textured, light blue wall.

In case you feel you life's lacking a bit of sparkle these days, we thought we'd do our best to rectify that by getting the lovely Adele Taylor to do what she does best in front of a sparkly wall! Alright, so in the scheme of things the wall is the least interesting thing about the set, but then it goes without saying that Adele getting her kit off is a glorious sight whatever the situation!

"Well that's very nice of you to say so, although it's not going to take me long to get out of this little outfit, is it?"

Hmm, maybe not, but feel free to take your time - we've got all afternoon. And besides, it's pretty well see-through anyway...

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiny new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

SAMSUNG GALAXY FOLD

Once upon a time – oh, it must have been way back in the mid noughties – we all had mobile phones that folded. How we used to love yanking them out of our pockets and flipping them open, inwardly pretending to be Captain Kirk trying to get back in touch with the USS Enterprise from the surface of an oddly familiar planet, while really just letting the other half know we might be late home for our tea. But then along came the iPhone and the Android smartphone in its wake with touchy screens and increasingly stupendous displays and phones weren't just for phoning or texting any more – oh no, now you could browse the web, and watch things, and the folding phone was consigned to the dustbin of mobile history. Until, that is, someone at Samsung decided that it'd be really neat to come up with a smartphone that folded! Talk about having your smartcake and eating it! And lo! the Galaxy Fold was born. Now the Samsung Galaxy has been a reliable brand of smartphone for years now, with each one garnering plenty of praise and doing an increasingly better job of letting you watch, play, browse, track, monitor and even occasionally telephone with each incarnation. And needless to say, the new Galaxy Fold is bang on when it comes to all that sort of thing. The folding screen gives you a whopping 7.3 inch AMOLED (you really don't need to know what that stands for) display, which means it's basically a beautifully screened tablet to watch films and stuff on, and it's also a great size for reading eBooks, too. So you can bin off your old phone and tablet 'cos this baby'll do the lot. Mind you, when it's folded (either in your pocket, or when you're just using it as a phone) there's no getting around the fact that it's pretty chunky. Still, you also get no fewer than 6 different cameras to choose from, which should be enough for most users, don't you think? On the downside, there's no headphone socket, so you're obliged to use Bluetooth headphones, which can be a drag and, of course, means using more leccy. Oh, and the folding screen's prone to breaking, as several reviewers found out recently. Apart from that, it really is a steal at getting on for £2k.

CHRIS DIGITAL ASSISTANT

We're all starting to get used to the idea of having a little gadget about the house who we can talk to and who, in some way or another, responds to our requests. And yet the one place where we might really need a voice activated device – because our hands are busy – is in the car. Swanky new cars quite often feature this sort of thing now, but if you're driving something that's either a few years old or not top spec, what are you supposed to do? Well get this, of course! For most of us a car that you can talk to will inevitably conjure up images of David Hasselhoff in his leather-jacketed pomp rounding up crims with the help of KITT in *Knight Rider*, but sadly the Chris (odd name, but perhaps a sly nod to KITT?) won't be able to start your car for you and drive it to wherever you need it to be. Or run over some baddies for you, but what it will do is all the sort of stuff your voice activated gizmo at home will do, like play music and send messages, make phone calls and – especially useful in a car rather than the home – navigate. You'll need to connect it to your phone via Bluetooth, but it's easily done, and then Chris just sticks on your windscreen and does the biz. Given that it's now a criminal offence to be using your phone manually when you're on the road, this is a neat way to circumvent such problems, and if you want to change the volume or skip a track without having to waste your precious voice issuing commands, it will even recognise swiping gestures. All in all, pretty nifty, really!

A man goes to the doctor and tells him that he hasn't been feeling well. The doctor examines him, leaves the room and comes back with three different bottles of pills. The doctor says: "Take the green pill with a big glass of water when you get up. Take the blue pill with a big glass of water after lunch. And before going to bed, take the red pill

Two men were fishing in a boat in the middle of a lake when they found a lamp floating in the water. One of the men picked it up and rubbed it, causing a genie to appear from the lamp.

Unfortunately, it was a very low-level genie and could only grant one wish. The men thought for a few minutes and then wished for the entire lake to be made of the best beer in the world.

With a poof! the wish was granted but then all of a sudden, one of the men got really angry.

"What's the matter?" asked his mate.

"Now we're going to have to piss in the boat!"

An office exec was interviewing a blonde for an assistant position and wanted to find out a little about her personality.

"If you could have

a conversation with anyone, alive or dead, who would you choose?" he asked.

To which, after a moment's thought, she replied: "I'd have to say the living one."

A drunken man was wandering around a pub car park, bumping into then rubbing the roofs of the cars. The landlord came out of the pub and stopped the man.

"What the heck are you doing?" he asks the drunk.

"I'm looking for my car, and I can't find it," the drunk replies.

"So how does feeling the roof help you?" asks the puzzled landlord.

"Well," replies the drunk earnestly, "my car has blue lights and a siren on the roof!"

A woman went to her psychiatrist because she was having severe problems with her sex life. The psychiatrist asked her many questions but did not seem to be getting a clear picture of her problems. Finally he asked, "Have you ever noticed your husband's face while you're having sex?"

"Well, yes," she admits. "I actually did once."

"And how did your husband look?"

"Angry, very angry."

At this point the psychiatrist felt that he was really getting somewhere and he said, "Well that's very interesting, we must look into this further. Now tell me, you say that you have only seen your husband's face once during sex; that seems somewhat unusual. How did it occur that you saw his face that time?"

"He was looking through the window at us!"

A male whale and a female whale were swimming off the coast of Japan when they noticed a whaling ship. The male whale recognised it as the same ship that had harpooned his father years earlier.

He said to the female whale, "Let's both swim under the ship and blow out of our air holes at the same time and it should

cause the ship to turn over and sink."

Being a peaceable whale, she needed a bit of persuading, but in the end she relented and they tried it – and sure enough, the ship turned over and quickly sank. Soon however, the whales realised the sailors had jumped overboard and were swimming to the safety of shore. The male was enraged that they were going to get away and told the female, "Let's swim after them and gobble them up before they reach the shore."

At this point, he realised the female was becoming reluctant to follow him.

"Look," she said, "I went along with the blow-job, but I absolutely refuse to swallow the seamen!"

"How long is it since you had sex, Kevin?!"

with another big glass of water."

Startled to be put on so much medicine without any explanation, the man stammers: "Blimey, doctor! What's the problem?"

The doctor says, "You're not drinking

Ah, they say power's a terrific aphrodisiac, don't they, and now, having wielded a bit, I suddenly feel quite aroused. Then again, that may well be because I've got Sibyl spreadeagled in front of me...

"Hmm, do you think power really is an aphrodisiac?" muses the girl herself. "I suppose it might be, but personally I prefer someone with a good sense of humour to some self-important, power-crazed bloke!"

Quite right! A Mayfair blurb writer's never going to get power-crazed, you know!

HONOUR MAY

□□□□□□□□

A woman with long, wavy brown hair and blue eyes is posing on a white, tufted sofa. She is wearing a white lace lingerie set consisting of a bra and a matching skirt or garter belt. The bra has thin white straps and a small bow at the center. The skirt is also made of lace and has thin white straps that wrap around her legs. She is holding one of the straps of the skirt with her right hand. She is wearing a delicate necklace and a bracelet. The background is a bright, out-of-focus interior with white curtains.

It's very easy to overcomplicate things in this life, and yet often it's the simplest things that are the most satisfying. So it is with Honour May, here...

Not that we're calling Honour simple! It's the arrangement of the set that's simple – a bit of natural light a beautiful girl and some classy lingerie and there you go – everything your heart could desire for a timeless *Mayfair* set! Still, who knows, maybe in 30 years time this set will get used as a classic and the blurb-writer will comment on how old fashioned it looks. I reckon it'll still hit the spot alright, though!

It felt like all our Christmases had come at once when Brooke Lea last crossed our paths, thanks to the saucy little Santa outfit she was sporting, but that was a full six issues ago now. Honestly, time really does fly when you spend your working day surrounded by some of the finest looking women on the planet! Anyway, we're feeling a little bit guilty about having left it so long before getting her back in, but she doesn't seem too upset...

"No, I won't take it personally! It was great to get on the Christmas cover, so I'm sure you like me really! And beside, I've been keeping pretty busy, what with this and that!"

And, presumably, the other?

"Oh yes - plenty of the other!"

Scene from MAYFAIR

A couple of takes on the relationship between the East and the West this issue - although they couldn't be much more different. Oh, and a look inside a famous papier mache head!

CHIMERICA

What's this - did Dick Van Dyke sing a chirpy chimney sweep song about his home country? Nope, it's a thriller adapted from Lucy Kirkwood's play of the same name that has just aired on Channel 4 and is now available to buy digitally or, er, physically and digitally on DVD. It stars Alessandro Nivola as photojournalist Lee Berger, who made his name (not really, mind - this whole thing's a massive blend of fact and fiction, so you'll need to be on your toes) capturing the image of Tank Man, the solitary Chinese protester who stood in front of those Tiananmen Square tanks back in 1989. Well, we scroll forward to 2016 and the Trump V. Clinton (H) election is coming to a head and, well, nobody seems to know what's true and what's fake news any more. Even the Tank Man photo is cast into doubt, and Berger heads back to China to try and discover the fate of the unidentified protester in the photo. Smart and thought-provoking, if unlikely to go down well in China!

ONE, TWO, THREE

Billy Wilder was the man responsible for some of the best loved Hollywood titles of the 40s, 50s and 60s, from *Double Indemnity* to *Some Like It Hot* and *The Apartment* (his most successful Oscar-bagger, with 5). And yet, the very year after *The Apartment* came *One, Two, Three* which, given the stellar success of its predecessors, didn't really fly at all. It's certainly a change of pace, with the film itself racing along at breakneck speed. It's a tale of Cold War haplessness starring the legendary James Cagney as a soft drinks exec who's posted to West Berlin to keep tabs on his boss's flighty daughter. All sort of madcap capers ensue, with Cagney on great comic form. Perhaps America wasn't quite ready for such a skewed look at its own imperialism in 1961, but this remastered Blu-ray from Eureka doesn't half sparkle in 2019!

BEING FRANK

Anyone of a certain age who was watching the right kind of telly in the 80s and 90s will have, seared somewhere in their mind's eye, the image of Frank Sidebottom cropping up on one cult programme or another, with his nasaly Timperley twang and surreal music and comedy performances, but of course behind the mask (OK, inside it) was a real man - and that man was Chris Sievey. Originally hoping to make it big in the world of pop, Chris's bizarre alter ego was the one who really made it, garnering a loyal fanbase that can still reminisce about fantastic performances they witnessed 30-odd years ago. Sadly Sievey, who was a good bit more tortured than his happy-go-lucky creation, passed away in 2010 but this documentary, crowd-funded by fans, is a fascinating and respectful portrait of someone who should by all rights be a national treasure.

LOTTII

Age: 25 Vital Stats: 36DD-28-35 5'5"
Photographer: Iain T

In case one rosy-named English beauty wasn't quite enough for you this month, we've doubled down on Lily Rose with Lottii Rose, who's treating us to an intimate display in her boudoir...

"Oh, I wish I did have a boudoir like this!" gushes Lottii herself. "I wonder what you have to do to have your bedroom reclassified as a boudoir? I'm afraid mine's just a plain old bedroom at the moment, in any case!"

Hmm, we've looked it up, and there's nothing in particular that needs to be done, except that a boudoir seems to require that some kind of entertaining goes on in it.

"Oh, in that case I reckon I must qualify already!"

HOT NIGHTS COLD BLOOD

CAST: Abigail Mac, Nicolette Shea, Anny Aurora.

Any scruff movie that mentions blood in the title has me thinking of vampires and another bleedin' (geddit?) *Twilight*-themed offering, but no, there's no out and out neck-biting going on here. Instead it's another classic porno trope - shenanigans in a stripclub that involve underworld machinations and murder - in between all the pole dancing and pronging! And yes, being set in a strip club does mean the lighting's a bit on the moody side, but to compensate for that we've got the immensely eye-pleasing Abigail Mac in the lead role as a waitress who, after rowing with her (west country-accented!) boyfriend, gets rescued by Danny D, who lures her into the seedy world of dancing courtesy of an audition that soon sees the stud slipping her a length every which way, with plenty of dirty talk to keep him - and us - interested. She's rewarded with a cracking pop, and the story moves ahead with Danny's 'wife' (busty

★★★★☆

blonde Nicolette) not taking too well to her hubby's straying ways, and getting her own back with Jay Snake - who also gets to have his wicked way with German hottie Anny. Cue the big climax, in which Danny's reunited with Abigail and also Nicolette before well, he gets his well-deserved, er, cumuppance. It's a messy ending alright for Danny, and not in the traditional sense...

DIARY OF A SEX THERAPIST

CAST: Cindy Hope, Suzi Star, Francys Belle, Sicilia, Ellen Betsy, Liza Kolt, Luna Corazon.

Cindy Hope's just the sort of sex therapist I'd sign up to, if I was ever in need of dealing with a flagging libido. As it is, I'm as priapic as the day is long, so perhaps it'd be best for all concerned if I stayed away. Still, here Cindy is, doing her darnedest to pretend to be doing some sex therapy with her array of cunny-curious clients but, well, we all know there's only one sort of therapy these girls are after, and it's not of the talking variety. Blonde Sicilia needs to learn how to lick a fanny, and Cindy proves to be the perfect teacher - first lying back and spreading her legs wide, then returning the favour on her more innocent pal. She even throws in some anilingus for good measure, and by the end of the session Sicilia seems a lot more sure of herself! Scene 2's Ellen Betsy might have a rather Victorian name, but she's got a thoroughly modern taste for quim, while things crank up a gear in the final two scenes, both of which are threesomes. More clam-lapping than you can shake your swollen stick at! Available from your local sex shop.

Harmony Films

MISHA CROSS SEX ADDICT

CAST: Misha Cross, Emylia Argan, Blanche Bradbury, Alexis Crystal, Lola Myluv.

British-based splosher Misha Cross is certainly no better than she ought to be, and we open with a monologue from the girl herself, who has a little rub and admits that sex is her oxygen - and she certainly seems to be the sort of girl who couldn't really do without it. And luckily for her, she doesn't have long to wait before she gets some, firstly in the form of some nicely-shot lesbian fun with Emylia. Once they've both had a good taste of snatch they're joined by a silver-haired stud, and Emylia gets

first dibs on his pole, bouncing up and down merrily in cowgirl until Misha finally manages to lure him away by offering up her jacksie. This in turn prompts Emylia to up her game as

★★★★☆

well, and both girls get a good back-scuttling before the lucky beau is done. Next up Misha gets two fellas all to herself, but she's clearly more than capable of accommodating them, first with a quick nosh and then with some frenzied spit-roasting and DPing which finally leaves the lads drained... all over her mush. A sapphic threesome with Lola and Alexis changes the pace but keeps things ticking over nicely, until Blanche joins her for another cock-sharing threesome to close things out in fine style. Available from your local sex shop.

TAYLOR

Age: 26 Vital Stats: 32B-23-34 5'4"

Photographer: DDF

A full-page photograph of a woman with long brown hair, wearing a light pink lace crop top and high-heeled sandals. She is lying on her back on a bed, with her legs raised and spread wide, holding her thighs with her hands. She is looking directly at the camera. The background is a soft-focus bedroom setting with a white pillow and a dark bag on the bed.

I can't remember the last time we featured a Dutch girl in *Mayfair*, but if Taylor Sands here is anything to go by, they've certainly come a long way from the image of clog-wearing, plaited little things who like to stick their fingers in dykes...

"That was a boy who stuck his finger in the dyke!" Taylor corrects up, promptly, "although now I think of it, I've had a finger in a dyke or two over the last couple of years..."

Ah, we see what you've done there – punning from someone with English as a second language is pretty impressive... as is, we have to say, one of the most snackable pussies we've seen in many a moon!"

M

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

I've always been a bit of a tomboy; I grew up with three brothers and I still get on better with guys than I do girls. So I often go down to our local sports club bar for a drink and a bit of banter. The lads can seem a little bit lairy after a few, but they're good guys and I pride myself on giving as good as I get!

One Saturday evening, we were watching the match and had been there for a few hours when the conversation (if you can call it that) turned to a "Who's got the biggest knob?" debate. I'm well used to such bullshit and generally laugh along, but this particular evening, they decided that as I'd probably seen some cock

in my time - cheeky bastards, even if it's true! - I should be the judge. "Meh. Nothing I haven't seen before," I told them casually, but I was wrong. One lad, Don, a newcomer to the area, was hung like a horse! A very turned-on horse. For a laugh, I told him he'd won a pint and also my phone number.

I didn't hear from him, or expect to, although the quick flash of dick I'd got - we didn't want the management barring us - had whetted my appetite. Normally I'm one of those girls who sucks cock to get her pussy licked, but I kept fantasising about wrapping my mouth around Don's smooth, shiny helmet. I doubted I could

have taken him in far beyond that.

I was half-climbing the walls by the following week, and when I saw him at the club the following Saturday, the blood went to my face and my pussy started to juice instantly. I played it cool - well, that's how I like to remember it - but when he said hello, I asked why he hadn't rung me. He'd thought I was having a laugh. But now I was pissed enough to tell him a cock that size was no laughing matter.

We left the club separately, to avoid gossip, and waiting the 10 minutes I'd told him to leave was hell - if he stood me up, I'd go

frantic. But he turned up and I probably left a trail of juices during the walk back to my place. Then I took him straight through to the bedroom.

I stripped him off and myself down to my sexy black undies, then unleashed myself on his cock. He already had a semi and it just seemed to keep growing as I stroked it with my hand. It wasn't even like he was all dick and no bollocks, either - his plums were big and weighty too.

I opened wide and started to lick his helmet, drooling on it so it would slip easily into my mouth. Meanwhile his hands were starting to wander into my knickers. He had big, rough fingers and they did the trick in my snatch, but I couldn't wait for him to slip me a length too!

I was in control, telling him to stay where he was - then I straddled his crotch and rubbed his helmet against my wet knickers. He moaned and then I pulled them to one side, teasing my own slit before sliding him in my slot. It crammed me so full, opening me up wide, and I had to clench tight, pull him up as far as I could inside me before

HE ALREADY HAD
A SEMI, AND IT
JUST SEEMED TO
KEEP GROWING AS I
STROKED IT.

I could reach back and rub his hairy nuts against my crack, while my other hand took care of my clit. That had me coming within about a minute, then it was time to fuck him too.

I bounced and danced around on his cock, slamming hard until he was fucking back up into me. Then a few more sneaky fingers on my bud, and I had orgasms like never before. He spent ages just watching my tits bounce around, then he grabbed hold of them and pulled me down for a suck.

I was leaning right over him now and he braced his feet against the bed, and started slamming in full-force, until I saw his jaw clench up and he shot a big load up my snizz, overfilling it. When he pulled out, all the come and juices gushed out of me all

over his crotch, but he was too busy sucking on my nipples, bringing me off with his fingers again, to care.

I couldn't stop playing with his prick, and then he asked me had I meant what I'd said earlier - that he could do whatever he liked with me, as long as I got to mess around with his cock.

I told him I never say what I don't mean, and he asked did I take it up the arse. When I said sometimes, he said he'd heard as much from some of the lads. Some of

them obviously had a death wish, opening their big mouths even if it was true, but it hadn't put Don off any!

I was nervous – it would easily be the biggest prick I'd taken in there, then he told me no other woman, not even his ex-fiancé, had managed it all the way. Just what I didn't want to hear, but then I started to think of it as a challenge.

I always keep lube in my toys drawer, and now I slathered on about half a tube, working it over every inch of Don's big length. Then I gave him a blob of it to work into my arsehole. He got two fingers right inside it and brought me off, rubbing on my clit too, saying he could push in while my muscles were still relaxed.

It worked, for about half a minute as, slowly but surely, he started pushing in. But the fingers, the orgasm, nothing quite prepared me for the size of his cock penetrating my arsehole. I

“HE GOT TWO FINGERS INSIDE AND BROUGHT ME OFF, RUBBING MY CLIT, TOO....”

could understand why maybe his other birds had stopped him, but I just groaned and clenched my teeth, and gradually felt myself start to take him, and how good his big prick felt stuffing my bum...

He felt so unbelievably hard, the slightest movement of his prick hitting every nerve. Then he started to fuck me, slowly at first and shoving my cheeks around the root-end of his cock that wasn't inside me. Even then I felt him grind in a bit deeper, my bum cheeks parting, until he was thrusting smooth and rhythmical.

I started playing with my clit, and I've never come so hard and fast at the same time. He let me orgasm, then told me to keep rubbing myself, so he could fuck me a bit harder and faster. Go for it, I groaned, and while it still hit me like a ton of bricks, I knew he wouldn't do anything I couldn't take.

Even when he got a bit carried away, towards the vinegar strokes, he just felt so right inside my arsehole, like he'd been fucking it forever and knew exactly what I liked. I scooped up some juices and reached back and under to rub them on his balls, and then he started fucking in with short, fast strokes. He groaned that he was coming, and if it felt like he'd given me a big load inside my cunny, I thought he'd have needed nuts the size of footballs to empty that much spunk in my arsehole – that's how it seemed anyway.

I've let the mouthiest locals know that I'm fucking Don just for his big cock. He knows the truth but I think he gets off on the idea that he's dating the biggest, most size-obsessed tart in the area!

schmoozing with our big spenders. I spent all of last week at a national exhibition and conference that is always a perfect opportunity to see lots of clients, drink too much and eat out at the company's expense.

By Thursday, I was beginning to miss my own bed, my boyfriend and was getting a little bored with reeling off the same old pitch to the same old clients. I had arranged a lunch meeting with the new marketing manager of one of our oldest clients and was quite pleased when I met him in the restaurant. He was about 30, dressed smartly in a dark blue suit and tie and clearly did not lack confidence. I looked him over as he had done me.

As we talked I noticed him watching me very closely, which I liked. I always

at the table as another glass of wine was being delivered.

"Are you trying to get me drunk, so you can see my pussy?" I blurted out. John just looked back across the table at me, his eyes never leaving mine. For an instant I wondered if I had just thought I had said

I STOOD IN FRONT OF A STRANGER IN JUST MY PANTS AND BRA, AND REALISED I'D REACHED THE POINT OF NO RETURN.

that rather than actually saying it.

"I didn't realise that was part of the service," he said, still holding eye contact.

"Shall we get out of here?" I replied. A smile crossed his lips and he nodded.

"My hotel's only around the corner" I continued, digging myself in deeper.

I pulled a couple of notes out of my pocket and left them on the table, sod the expense account, I just wanted out of there. My chair almost tipped over I stood up so quickly, keen to be out of there before my common sense kicked in. As I pushed open the door to the restaurant I glanced back over my shoulder to see John in hot pursuit.

I slammed my room door behind us and walked quickly over towards the bed, undoing my blouse. I turned around to face John and shrugged my jacket and top off my shoulders, they fell onto the floor behind me and I kicked my shoes off whilst I unbuttoned my skirt, letting that too fall to the floor. I stood before a fully dressed stranger in just my pants and bra and realised I had reached the point of no return. There was no going back, I was totally at his beck and call, so I decided to retain the initiative and keep this moving as fast as possible. I unclipped my bra and tossed it onto the growing pile of clothes and pulled my white knickers down over my thighs, giving him a quick glimpse of my closely cropped dark snatch. John had finally got the message and was rapidly discarding his suit and shirt. I knelt on the bed, offering my wanton pussy up to him.

"Fuck me" I said, looking back at him over my shoulder. "Do it, hard."

He did not need a second invitation. He stepped towards the end of the bed and ran his fingers along my pussy lips, they needed no further encouragement, I had been dripping wet since we left the restaurant. I felt the tip of his cock against my hole, then in one motion, he grabbed my hips and plunged his length into me. I gasped in surprise at his size, then cried out aloud, unable to help myself as he

"HE STEPPED TOWARDS THE END OF THE BED AND RAN HIS FINGERS ALONG MY PUSSY LIPS."

Something happened last week at work that I had to write and tell you all about. My name is Esther and I work as an account manager for a magazine, selling advertising and

dressed to impress, and today, I was dressed in a white blouse, with a dark jacket and skirt that finished just above the knee, with my long dark hair pulled back into a ponytail. My mother is Italian

and I'm lucky enough to share her dark complexion and slim figure and I got the feeling my new client approved.

By the time the food arrived, I was halfway down my second glass of Chardonnay and I could feel my cheeks glowing. Two consecutive heavy nights had left me just needing topped up and the drink was going straight to my head. The waitress cleared the starters and I drained my glass, excused myself and headed for the toilet. As I sat alone, my mind started to hatch a plan and I realised the drink was also making me horny, my appetite for food completely gone. I sat back

through my body like a firework. My moans turned to screams as he pounded me with his cock. My body was in ecstasy and my pussy was running with my cream as his balls slapped roughly against it. My entire body shook with the force of my orgasm and when it finally subsided, I quivered all over.

John's pace increased

quickly set a long, slow rhythm, pushing his cock into the hilt before pulling it almost all the way out, so only his helmet remained. I pushed back to feel all of him inside me. He felt several inches longer than my boyfriend, and much more satisfying. I closed my eyes and let him fuck me.

I felt his finger rub slowly against my ring and flinched against the contact. I had never been bum-fucked before and had spent the last six months avoiding the subject with my very keen boyfriend. I reached behind to grab his hand, but he simply slapped it out the way. It seemed I was losing control, but as he pounded

I FELT HIS FINGER RUB SLOWLY AGAINST MY RING AND FLINCHED AGAINST THE CONTACT.

his cock into my snatch and the tip of his thumb disappeared into my arse, an enormous orgasm began to rise and I thought "Fuck it".

I could hear his balls slap against me as my orgasm grew and spread inside my stomach, the heat spreading through me like a shot of vodka. His spare hand grabbed my ponytail and pulled the band out of my hair, then he grabbed a handful and pulled hard, pulling my head back as

he fucked me. I screamed as my orgasm ripped through me, my writhing body coated in sweat.

"Fuck me, you dirty bastard!" I panted between waves of ecstasy, and his rhythm increased briefly before stopping. He pulled his cock out of my soaking wet twat. I looked back over my shoulder at him to see what the problem was, he just stared back, a look of dirty satisfaction on his face. I felt his cock push against my arse. There was no way he was going to fit that in my arse, I frowned at him and moaned, shaking my head slowly, but I didn't move out the way, and he did not let up the pressure on my arse. He used both hands to spread my cheeks, widening my virgin hole, and as he applied a little more pressure, I suddenly felt him entering me.

"Fuck!" I cried as his helmet spread me wide. His length followed as he slid into me, my knees, still quivering from my orgasm collapsed and he fell on top of me, pushing his entire cock all the way into my arse. I screamed aloud, but my head was buried in the pillow. The sensation was incredible.

"Fuck me. Fuck my arse," I panted and he responded, pulling me back up onto my knees, he slipped off the end of the bed and stood whilst he screwed my arse with the same energy that he had just fucked my wanton hole. He grabbed another handful of my hair and pulled my head back whilst he rode me. I could actually feel his cock swell and get stiffer, filling me further as he fucked me. Then, totally without warning another orgasm exploded

before, suddenly, he withdrew and rolled me onto my back, I sat up on the bed to see what he was up to, I looked up at him with an obvious look of confusion on my face, just as his huge cock spat a thick wad of white jizz into my face. I flinched in shock and surprise. A second first of the afternoon. My boyfriend had never done that. He stood before me and continued to pump his cock. Another jet of cream hit my forehead and bounced up into my hair, then a third hit my chin and spread up my cheek, then dripped down onto my tits and ran down my stomach.

Finally, with his cock spent and empty, he stepped in closer and wiped the last drop of come that glistened on the tip of his helmet across my lips, leaving a trail of red lipstick across his swollen length.

I looked up at him in a mixture of excitement and lust. No one had ever treated me like that in bed before, I had always been in charge. But now I sat on the bed with his hot cream spread across my face and tits looking back at him stood in front of me. He looked down at me and smiled before he turned away.

"Grab me a fucking towel or something will you," I called after him, trying to regain some initiative, as he scooped up his suit and headed into the bathroom. When he came back out a couple of minutes later he was fully dressed, holding his tie in his hand.

"Thanks for lunch," he said and walked out of the door, leaving it open and leaving me stunned and naked on the bed, his come still running down my body.

LOUISE SHEERWOOD

MAYFAIR
Classic

Nubile 19-year-old new-comer, Louise Sherwood, has a confession. She loves living alone. "I'm fed-up with fellas in my flat, putting their feet on the couch, crushing the cushions and never cleaning the bath after them. My place may not be a palace but it's all mine,

PHOTOGRAPHS
BY
JOANIE ALLUM

dedicated to all my little whims and fancies. If I want a night in reading a naughty novel with a box of chocolates and my teddy, I can. On the other hand, if I feel like a raucous party, I can invite all my rude friends round and have a snog on the sofa! Do I sound horribly selfish?"

Maybe, but if the cushions are that important to you... Does this mean that you'd never consider having a live-in lover?

"Of course, if the right guy came along, I might just let him stay for a while. I haven't found him yet — but it's bloody good fun looking!" 

Classic

Nothing dates a set as much as the concept that a 19-year-old might be able to afford to live on their own! These piccies of Louise first saw the light of day in Volume 29 issue 3, which is a full 25 years ago, when it's just possible a slip of a girl could go it alone – assuming she lived somewhere remote. Not remote enough for legendary lenswoman Joanie Allum to track her down though!

MAYFAIR

Vol.54 No.07

On Sale June 26th

I don't know about you, but I'm nowhere near prepared to admit that 2019's over half way through, now. It's like this year has been playing on double speed or something and now we're all of a sudden lurching towards 2020 at a headlong gallop! Maybe the problem is time just seems to fly by when your surrounded by such beauty, although from what I hear from friends my age, I'm not the only one feeling it. Still, given that 2019's going to be over before we've got used to it, you might as well spend it in the company of beauties like Dannii Harwood and Kiki, don't you think?
